Your committee and/or stock contractor need at least **9 (Nine)** helpers - be sure to discuss this with your stock contractor.

All extra activities - in the performance - must be pre-approved by the CPRA board, and advertised in at least one issue of the official magazine when possible. List activities below:

Your committee must notify the State Office as to when the extra activity will occur. Request must be submitted as an order of events listing.

The State Office will request co-sanctions with surrounding states, however any co-sanctioning done is with each states approval and in accordance with their rules.

Day Sheets - are emailed to you the morning after call-backs
